Sunday 28.07.2013 Day one

No rush on sunday. We have to wait for the ending of the airshow above the Brünigpass. This will be around 13:30 local time. *Please stay on the ground until we open the window!*

We suggest to take a gondola between 9 and 11. It takes around 40 minutes from Meiringen to the take-off at „Planplatten“. The big, orange gondola leaves Meiringen every 30 minutes xx:05 and xx:35 or with enough people in there every 15 minutes. Change at „Reuti“ to the smaller white cabins. Stay in until you reach „Mägisalp“.

There is a Lunch ready for you to be picked up. Feel free to have Coffee there or at the „Alpentower“ and be ready for the briefing around noon at the main take off „Planplatten“.

Parking

Please leave your car at the big parking at the cable car station, at your hotel or camping. Don't drive to the landing zone because there's no parking space available! Your Ticket for the BMH (cable car company at Hasliberg) is good for all the BMH transports at Hasliberg as well as for the MIB, the little „tram“ running between Meiringen and Innertkirchen (see timetable at the last page).

Retrieve

Meiringen is well connected with pulic transport. Hitch-hiking works also well here. The MIB-Tram between the main-trainstation (zentralbahn), landing zone and Innertkirchen is for free for all competition pilots (show your ticket).

Landing Zone

Just next to the little Restaurant „du Pont“ (L01) where we serve you cold drinks and small meals every day from 14:30 until 19:00 or maybe later :-)
Every pilot who landet at the offical landing get a free drink after the download.

Day 2, 3, 4 etc.

You'll receive all the information about the next days by your SMS-Service (CCSS). We'll also publish news and infos on our website www.flob.ch as well as on www.swissleague.ch

Things to do on non-flying days...

Indoor Climbing:
show your BHM cable car ticket and you'll get a discount. CHF 13 instead of 17 for one day.
www.kletterhalle-haslital.ch

Aareschlucht:
show your BMH Cable Car ticket and get a free entry! One Pilot-Ticket = one entry, your friends and family have to pay extra, the MIB is included to the Aareschlucht-Tickets!
www.aareschlucht.ch

The KWO, the local hydroelectric plant, offers some visits into their world. We will also arrange guided tours if necessary. Check out www.grimsewelt.ch

Bring along your bike, road- or mountainbike - Haslital is a paradis... Don't forget your swimsuit and enjoy the little lake at Hasliberg or the refreshment Lake of Brienz...

More things are the Farmer-XC-Golf in Innertkirchen (ask at the restaurant „hof & post“), countless hikes, waterfalls, the breathtaking Rosenloui Glacier Gorge, the Sherlock Holmes Museum, etc. etc. etc. Tipi-village at the Brünigpass (archery, blow pipe- and crossbow shooting, dart, horse shoe throwing, www.hasli-aktiv.ch) and check out our Tourist office near the train station or ask the organisation or visit www.haslital.ch.
